

## **Report of Eligible California Candidates for the Pharmacist Licensure Examinations**

**March 29, 2004 – March 31, 2005**

This report displays the demographic characteristics and the performance of candidates who took the California Jurisprudence Examination (CPJE) between March 29, 2004 through March 31, 2005. To be included in these data, the candidate must have taken the CPJE.

A total of 1,860 individuals took the CPJE 2,065 times during this period. Multiple attempts at passing the CPJE are included in these data (when a candidate failed the exam and retook it during this period).

If the candidate also took the North American Pharmacist Licensure (NAPLEX), these statistics are reported and identified as NAPLEX data.

EXAMS ADMINISTERED – There were 2,065 CPJE exams administered during this period and of these, 1,807 attempts were also taken at the NAPLEX. A total of 1,860 individuals took the CPJE.
